**Chestnut Festival Roundup**
With perfect weather on our side Mt Dandy Primary once again had a fantastic presence at the annual Chestnut Festival. Our stall of cakes, lucky jars, fairy floss and popcorn was popular and was well supported by our community. Thanks to the hard work of our Fundraising Committee and the donations of lucky jars and cakes combined with a great number of volunteers, we raised approximately $1300 and participated in this wonderful community event. Thank you to all involved.

**Road Safety**
Over the past few weeks there have been a number of concerning incidences involving parents and students from our school when transitioning to and from school. Please remember to use the school crossing. Do not cross at the ‘T’ intersection of Farngons Rd and Old Coach road. This corner is difficult enough for those in cars to negotiate without the presence of pedestrians added to the mix. Secondly we had an incident with some students playing ‘chicken’ with passing cars along Mt Dandenong Tourist Road. This behaviour is risky for the students and passing drivers and the results could be disastrous. Please ensure that you have in-depth discussions about road safety and appropriate roadside behaviour with your children, particularly if they walk to or from school without an adult.

**Mother’s Day Stall – May 8th & 9th**
We would like to acknowledge the hard work of Nikk Kouris who has spent many hours sourcing a variety of wonderful items that our students can purchase this week to make Mother’s Day that little bit more special. Our Mother’s Day stall is a great opportunity for our students to use money and experience shopping with a real life context. It also allows them to independently choose a gift for their mum, grandma or special female friend. We would like to wish all of the mums in our community a super Mother’s day and on behalf of Mt Dandy we would like to thank you for the fantastic role you play in the lives of our students. Happy Mother’s Day.

**Lost Property**
On Sunday Sue and Liz collected over 20 school jumpers, some unnamed, that were left in our playground. At $28.00 each this is approximately $550.00 worth of school uniform left lying around. In order to encourage our students to be responsible for their belongings, we ask that parents encourage their children to bring their jumpers or jackets home each night. This will help our students to develop good habits, responsibility and independence.

**Newest Community Member**
Congratulations to Zamara and Michael for the birth of their son Xac. Xac was born on Saturday and is a new brother to Xavier and Xander. All the best from the Mt Dandy community.

**Woolworths Earn and Learn**
This week we have attached a sticker card to each newsletter. If you shop at Woolworths, or family and friends shop there, please be sure to collect the stickers, place them on the card and then place the full cards in the box in our foyer. Last year we bought a great deal of art supplies and materials to support our Art program and we are aiming to do the same this year. Thank you

**ICAS NSW Maths Competition**
Entries for this year’s NSW Mathematics competition are now open. Students from Grades 3 to 6 are able to participate. The exam will take place on the 13th of August. Entries cost $8 per student and close on Friday June $31st. Late entries will not be accepted. Please hand any entries, directly to the office with payment. An entry form is attached to this week’s newsletter.

**Gardening team**
For Parents and friends of Mt Dandy PS—9.00 to 11.00, Tuesday 14th May.
Sessions may include weeding, mulching, pruning etc. Discussion of garden management plans, community based gardening ideas for gardens and play areas. Meet outside staffroom, bring gloves and have a cuppa afterwards. —Kylie Stewart

**Purpose Statement**
Mount Dandenong Primary School values our unique environment and close community. It is a place for creative opportunities and academic excellence, nurturing respect, happiness and independence.

NAPLAN Testing Grade 3 and 5 May 14th to 16th
Students in grade 3 and 5 have been practising and preparing for their upcoming NAPLAN tests. They have been learning the skills of sitting a test and how to do their best. Although NAPLAN testing provides the school with excellent data about the general academic strengths and areas for improvement as a school, it is only a snapshot of individual student achievements and as such we encourage parents to support their children to do their best but not be stressed or anxious about the tests.

Thumbs up to:
- All of the people who donated Lucky Jars or Cakes for our Chestnut Festival stall
- All those who volunteered their time to help out at the Festival and prior to it
- Eloise Vernon for completing the PRC
- Natasha Rowe who has read 100 books for the PRC

Thank you, Michael Leonard and Sue Gibson.

OSHCNews  
Before School / After School Care Program

At OSHClub this week, we learnt about different kinds of dinosaurs, made 3D dinosaurs, created and painted recycled dinosaurs and made yummy pancakes. Our Drama Club has also begun and the children have decided on themes and begun writing their own scripts for their mini productions.

This week is full of Mother’s Day activities! We will be making paper flowers, photo frames, cards and love heart cookies.

We will be holding a Biggest Morning Tea at OSHClub in a couple of weeks. The date and time is still to be confirmed, however we hope to raise funds for the Cancer Council by baking cakes and making crafts. Please keep an eye out for more details.

Keep bringing your recipes for our OSHClub recipe book. Come and join in all the fun! We look forward to seeing you at OSHClub!
From Lina and Samantha.

ANZAC Day Commemoration at Ferntree Gully National Park

On Wednesday the 24th of April the four School Captains went with Mr Leonard to the ANZAC ceremony at the thousand steps. We got the opportunity to see the catafalque party, which were a group of people dressed in army-uniform that marched in the ceremony. We sung along to some beautiful songs and hymns that were played on the Bagpipes and the Bugler, led by the Ferny Creek School Choir. The wreaths were laid at the foot of the memorial wall, the two School Captains presented our wreath which we had made ourselves. We listened to poems and learnt the qualities of the ANZACs and why they are remembered. It was a beautiful ceremony and we are glad that we had the opportunity to attend it.

- Game 2: Mt Dandenong- 25 defeated Kallista- 24  
Awards for best & fairest student: Grace Geikowski & Sarah Kennedy

**TeamVic trials**

Good luck to the students who are participating in the teamvic trials this week in the sports of football, basketball, netball and soccer. We wish them all the best in their attempts to be selected for the next stage of the Victorian trials.

Congratulations also goes to Hunter Greenall who did make it through to the next stage of the trials in cricket and then narrowly missed out on making it to following stage after that. Well done Hunter, a great achievement!

**Prep- Grade 2 Photo trail/tabloid sports excursion**

A reminder that the prep – grade 2 photo trail / tabloid sports excursion is coming up next Thursday the 16th of May at Maroondah Dam. This wonderful opportunity for Mt Dandenong Primary School students has been offered by Launching Place Primary School, due to Mr. Harris teaching Physical Education at both of the schools.

If you would like for your child to attend this event, which is sure to be a fantastic day for the Prep-2 students, please send back the permission form and money to your child’s classroom teacher by this Wednesday the 8th of May.

We look forward to this day with your child and hopefully plenty of parents watching on the day.

Ryan Harris, Sport Coordinator

**THANK YOU BENDIGO BANK**

for your wonderful donation of sports equipment
Dear Parents

Once again, students in years 3 – 6 at Mount Dandenong Primary School are being offered the opportunity to participate in the International Competitions and Assessments for Schools (ICAS) Mathematics Assessment.

For 30 years ICAS has taken place each year in schools throughout Australia, New Zealand, Singapore, Malaysia, Brunei, the Pacific region and South Africa.

ICAS is an initiative of Educational Assessment Australia (EAA). EAA is a not for profit organisation owned by the University of New South Wales (UNSW).

The ICAS Mathematics Assessment provides an opportunity for all students to gain a measure of their own achievement in an external assessment situation.

**The exam will take place at the school on Tuesday, 13th August 2013.**

All students receive a certificate and an individual student report indicating which questions they answered correctly, their total score as well as their average compared with the rest of the students in the state/region. The student report is also useful for highlighting student strengths and weaknesses in the skills and processes in the ICAS they participate in.

High quality UNSW certificates are awarded for each year level in each state/region as follows:

- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 20% of entrants

Participation to all other participating students.

To assist your child to prepare for the International Competitions and Assessments for Schools (ICAS) a practice exam will be sent home and sample practice questions can also be downloaded from the EAA website.

For more information please visit the EAA website at [www.eaa.unsw.edu.au](http://www.eaa.unsw.edu.au)
