MT DANDY NEWS

Discover

Last Day of Term

Remember that this Friday 16 September is the final day of term 3, and students will be dismissed at 2.30pm. The first day back for Term 4 is Monday 3 October.
It has been a long term with lots of accomplishments and successes across our school, but there are definitely a few tired faces this week! We hope all families are able to enjoy some much needed down time and can recharge for what is always a busy term 4. Stay safe and rest up!

Farewell to Sarah Morris

It is with sadness, but friendship in our hearts, that we farewell our Grade 1 teacher Sarah. Sarah has been a huge asset to our school, and is much loved by the students, staff and wider community who have gotten to know her. We particularly thank Sarah for her massive role in putting together our Wakakirri performances this year! Sarah has accepted a position at Park Ridge Primary School for the remainder of the year and we wish her well.
In the grade 1 next term, we welcome back our much loved and long-time staff member, Krista Carpenter. Krista has been away on family leave, and we are excited to welcome her back!

New Basketball Ring

Last week we had a brand-new basketball ring installed on our bottom basketball court. It has been a long time coming since it was damaged in last years storm. It has been great seeing so many kids out there shooting some hoops!

Presentation Night

After a COVID enforced hiatus, our annual presentation night is back! For those who may not have been to one, this a formal end of year celebration of our school's achievements. There will be awards, year 6 graduation acknowledgements and student performances. It will be held in the George Wood Performing Arts Centre at Yarra Valley Grammar on Wednesday 30 November. Information about times and tickets will come out early next term!

House Sports Day

COVID may have delayed our house sports day in term one, but we are going to get it done! We will be holding this event on Friday 21 October. Fingers crossed for some excellent weather!

Library Update

You may have seen the 'under construction' sign on our library door… Things are happening!
Unfortunately, a couple of weeks ago a significant water leak became apparent. Water had been flowing down some wall cavities and caused the plaster and carpet to become completely sodden. The room has been closed off and we have had fans and de-humidifiers running constantly to dry the area out. Plumbers have already been engaged to rectify the guttering issue that led to the water leak, and the next step will be removing and replacing all damaged plaster in the wall and ceiling, as well as the carpet.
The upside is that this problem has been identified and is being fixed before we install our new carpet and furniture as planned with our fundraising money for the year. Whilst this extends the time frame for the completion of the library upgrade, we will have a nicer, higher quality space at the end of it!

Respectful Relationships Program

Grade 2JS & 2C – Term 3

The Respectful Relationships Program supports schools and early childhood settings to promote and model respect, positive attitudes and behaviours. It teaches our children how to build healthy relationships, resilience and confidence. It is a core component of the Victorian Curriculum from Foundation to Year 12. It also extends out to embed a culture of respect and equality across our entire school community.

Grade 2JS and Grade 2C have been participating in regular Respectful Relationship lessons. Here are some photos and work from our time together studying the topic of "Stress". We looked at a character called "Wibbly" and how Wibbly might look and feel when he is stressed. We discussed and drew the sorts of events that might make him feel stressed and identified on a more personal level what makes us stressed as individuals.

Building on this, our Grade 2 students brainstormed some "Calming down and cheering up strategies" that could be useful for Wibbly in stressful situations and in our own personal lives when feeling stressed. Students had the opportunity to learn relaxation techniques and hear examples of calming techniques that other students found helpful such as breathing and kicking a football.

Important information

Enrolments
Enrolments for the Vacation Care program must be completed online at:
www.maroondah.vic.gov.au/Community-support-services/Children-and-families/School-holiday-programs-primary-school

For more information, please call Council's Youth and Children's Services team on 9294 5723. Please note that the Vacation Care team needs 48 hours to process your enrolment, before you will be given access to the HubHello portal and be able to make a booking through the BookMe portal. Enrolments must be received by 5pm on Wednesday 31 August if you are wanting to book your child into the Spring school holiday program.

Bookings
Bookings for the Vacation Care program are made through the BookMe section of the HubHello parent portal. Families must have an online enrolment at Springfield Vacation Care to access BookMe. Please contact the Vacation Care team on 9294 5723 if you need assistance accessing your HubHello parent portal.

Late pick up fee
The Vacation Care program finishes each day at 6pm. If a child is not picked up by this time a late fee will be charged, according to the following scale- $10 for every 10 minutes or part thereof per family.

Cancellations
No refunds or credits given for days that families have booked and no longer require. Payment is required for all booked days whether children attend the program or not.

Children's belongings
Strictly no money or children's toys (including smart watches, iPads, phones, DS consoles, cameras) are to be brought to the program.

Please clearly label all your child's clothing and belongings.

Priority of access
The Australian Government regards children at risk of abuse or neglect as a priority group for access to quality childcare. Families in crisis should also have support and assistance from child care services to the maximum extent possible. The Australian Government resources child care with a major purpose of meeting the child care needs of families with recognised work or work related commitments. Where demand for care exceeds supply, it is important for services to allocate available places to those families with the greatest need for childcare support.

Clothing
- Children must be dressed in clothing appropriate for the weather. In wetter months, please bring a waterproof coat, beanie, umbrella and gum boots. In warmer months, please dress children in 'sun smart' clothing, including covered shoulders.
- Please make sure your child wears appropriate shoes for playing. No thongs or flip-flops.
- Please label clothing and personal belongings with your child's name so that it can be easily identified.

Additional needs children
All children are welcome to participate in our Vacation Care Program. If your child has any additional needs, please contact Council's Vacation Care Coordinator on 9294 5723 at least six weeks before the program is due to start to discuss the best ways to support your child.

Additional days of care
During the holidays you must contact Council's Vacation Care team on 9294 5723 if you wish to book your child in for additional days of care.

Food and drinks
- Parents are required to provide nutritious lunches and snacks, such as sandwiches, fruit, cheese sticks, and water. Please send plenty of food for your child to eat.
- Please send a refillable drink bottle with water every day.
- Please no cans/bottles of soft drink.
- Please note that we cannot heat or cook children's snacks or lunches.
- We strongly encourage families to re-think your child's lunch box and send nude food each day to the program.

Excursions
Excursions may be affected by direction from the Victorian Government due to COVID-19 restrictions. If your child is booked in for an excursion and it is cancelled, you will be offered a refund or the opportunity to keep your child booked in for the in-house day and we will refund the cost difference.

Children must arrive at the program at least 30 minutes before the stated departure time – this will help us to avoid being late for booked activities. The bus will not wait for those who are late.

If your child will not be attending on an excursion day, please contact the Educators at the program before 8.30am to prevent delays in departure.

Please dress appropriately as excursions will run during all weather conditions.

Children are not to bring money on excursions.

When travelling by bus we use Ventura bus lines. All buses are fitted with seat belts.

Educator/child ratio is: 1 educator to every 8 children and for a swimming excursion 1 educator to every 5 children.

Please make sure your child brings a refillable water bottle and plenty of food to eat with no wrappers.

Medication
- If a child is to receive medication during the day, parents must complete the Medication Instruction Sheet, and sign the medication in and out with an educator each day.
- Medication must be in the original containers with the original labels and the child's name and specific dosage must be clearly visible on the containers. This also applies to any over the counter medication.

Child Care Subsidy
Child Care Subsidy is available to families who have linked their myGov account. If you are unable to link our Vacation Care program to your account, please contact Centrelink on 13 61 50.
